

Year 4 Maths Homework

1.) Fill in the circle using $<$, $>$ or $=$

2.)

Use digit cards 1 to 5 to complete the comparisons:

$$564 \square < \square 73 \square$$

$$2 \square 38 > 23 \square 5$$

You can only use each digit once

Challenge question (Optional)

Put one number in each box so that the list of numbers is ordered largest to smallest.

1000s	100s	10s	1s
1	1		3
1		2	7
1	2	5	
1		5	9
1	3	8	
1		1	5

Can you find more than one way?

Homework due back: 10th October 2018
