

Dear Parent/Carer,

We are very lucky in school to have the Brass Project returning to Year 5 again! All children will be learning to play a brass instrument (cornet, tuba, trombone or baritone) over a 10 week period. In school we have a number of musical instruments which children use as part of the project. We would like to make these available for the children to take home to enhance their experience and give them more time to practise the skills they are learning before their concert!

The instruments would be available for short term loan at no cost. Should your child wish to borrow a school instrument you would need to accept responsibility for the care of the instrument and agree to pay for any loss or damage. Current replacement costs are approximately: Cornet £500, Trombone £600, Baritone £1150 and Tuba £2890.

Children will find out on Wednesday 16th January which instrument they will be learning. In order for your child to be able to take home a school instrument, please could you sign and return the attached slip requesting the loan of an instrument and agreeing to the above.

If you have any questions regarding this, please get in touch.

Thank you for your continued support.
