

Dear Parents & Carers

We are keen to be very transparent in terms of how we use images of the children in the school:

The school uses photos of pupils for a range of reasons:

- To use in and around the school in places that might be seen by visitors (eg on canvases on the wall)
- On the school website (without names)
- On Twitter (without names)
- In wider marketing materials used by the school (without names)
- Occasionally in the local news from a coverage of a school event (without names)

Please use the form below to let us know how you would like us to use photos of your child. Please note, you can opt out of photos at any point by contacting the school office, even if you have previously given us permission to use them in a certain way.

Kind regards

Tracey Coles
Principal
