

Challenge 1: Explain what a noun phrase is.

Challenge 2: Explain the four types of expanded noun phrases that can add detail to the noun.

Challenge 3: Identify the expanded noun phrases in the text below.

The snarling dragon shot from the huge cave and flapped its mighty wings in the cold, morning air. It roared fearsomely and then speared downwards into the luscious valley below that was full of swaying corn. The hungry dragon burnt the precious crops of the poor village people, wilting the green stalks with a fierce inferno that began in its cavernous jaws. The beast clasped a cow in one of its sharp talons before flying lazily back into the cave.

Challenge 4: Using the very boring sentences below, add as many different types of expanded noun phrases to them as possible.

- 1) The car drove down the hill.
- 2) There was a spider drawling up the wall.
- 3) Five children ate a picnic.
- 4) My cat chased the mouse.
- 5) His mum climbed the mountain.

Challenge 5 extension: You are in the park when you see an unknown, mysterious object. Write a description about it including as many different expanded noun phrases as possible to add interest and detail.
