

## Preston Hedge's Academy Trust Update

Dear Parents/Carers,

On the 1<sup>st</sup> September 2018 your lovely school joined the Preston Hedge's Academy Trust.

I have been delighted with the progress made since then. The curriculum offered to your children, the school environment and the outcomes the children are achieving have all improved significantly. I am firmly of the opinion that Parklands is a very good school.

I would also like to take this opportunity to say thank you for the support you have offered to the school, particularly Principal Coles and her dedicated team.

The commitment of the Trust to Parklands Primary School is unwavering and we look forward to enhancing what is offered in the coming months and years.

At the halfway point of the school year, we naturally begin planning for September 2020 and beyond. As we do so, I am delighted to be able to share with you how we are further strengthening our Leadership team.

Miss Carmilla Cassidy, our Assistant Principal at Parklands will be stepping up into the Principal role at our school from June 2020. Mrs Tracey Coles, will be taking over as Principal at Preston Hedge's School from the same date. However, Tracey will also be Executive Principal for Parklands, so she will still be at your school each week, ensuring the school's success continues.

Mr Aaron McDonald will be continuing in his role as Assistant Principal and Miss Georgie Lewis will become an Assistant Principal from June 2020.

It is my firm belief that by making these changes we will secure the ongoing success of the school by nurturing and providing opportunities for our talented teaching team, whilst retaining the direction and expertise of Mrs Coles.

Mrs Coles and the Leadership team of the school will be available as ever should you have any questions in relation to the above. I will also be at Parklands on Tuesday at the start and the end of the day should you wish to talk to me.

Yours sincerely

Paul Watson  
Chief Executive Officer
