

Dear Parents/ Guardians,

Miss Miller's English group will begin swimming lessons on Tuesday 16th April until Tuesday 21<sup>st</sup> May 2024. Lessons will take place at Northampton School for Girls. The children will be walking to the school. We will leave school at 9.15am and return for 10.45am.

There will be a qualified swimming teacher and lifeguard present for all lessons. There will be no cost for lessons. Please try to ensure that your child attends all lessons, as learning to swim is a statutory requirement and an important life skill.

Children can come into school on their designated swimming day in PE kit. For their lessons, they will need:

- Swimming costume or trunks
- Towel

Please note that boys must wear trunks and not shorts.

We will distribute appropriately coloured swimming caps once the swimming instructor has done the first assessment. Goggles unless prescription are not permitted.

Thanks for your continued support,

Miss Tyler
