

Dear Parents,

I am writing to inform you about an exciting opportunity for Year 5 and Year 6 students to participate in a new event this year - the Preston Hedges Trust Swimming Event 2024. This event will take place on the 6th of June 2024, and we will be leaving the school premises at 12pm via minibus to Northampton School for Boys. Students will return to school for home time as usual.

The Preston Hedges Trust Swimming Event promises to be an exciting afternoon of competition and water-based activities. The event will include individual races, an introduction to water polo session, a mini water polo tournament and a cannon relay.

To ensure the safety and suitability of participants, it is essential that children taking part are confident swimmers and able to swim a specific distance. They must be able to swim a distance of 25 meters using front crawl, breaststroke and backstroke techniques and be competent in swimming approximately 100 meters in a stroke of their own choice.

In order to be considered, children interested in attending this event must return this letter along with proof of their swimming ability for example this can be a copy of a recent swimming certificate. Please note that due to limited spaces available, children for the event will then be selected at random.

If your child is keen to participate in this exciting swimming event, please ensure that the completed form and supporting documents are returned to school by 19th April 2024. If your child is successful, we will be in touch with further details.

If you have any further questions or concerns, please do not hesitate to contact me via the school office. Thank you for your continued support,

Mrs Eason

Name: _____ Class: _____

I confirm my child would like to be considered to take part in the event and can swim:

- 25m front crawl
- 25m backstroke
- 25m breaststroke

Signed: _____
