

Principals Newsletter 28.6.24

From the Principal this week:

- Tennis
- University visit
- Reading winners
- Year 6 residential visit
- Families in partnership
- Hot weather
- Forest school
- Key dates

Tennis

Ks 2 have had a fantastic week of Tennis with our Mini Wimbledon competitions taking place this week. They showed great determination and perseverance during their tennis Matches!

University Visit

Our Tech team recently enjoyed a fantastic visit to Northampton University, where they had the opportunity to explore the campus and learn all about the learning on offer for further education. The children had an amazing time and were excited to think about what the future holds for them!

Reading winners

Congratulations to our reading winners of the term! We hope that you enjoy your new books and continue to reading superstars!!!

Year 6 residential visit

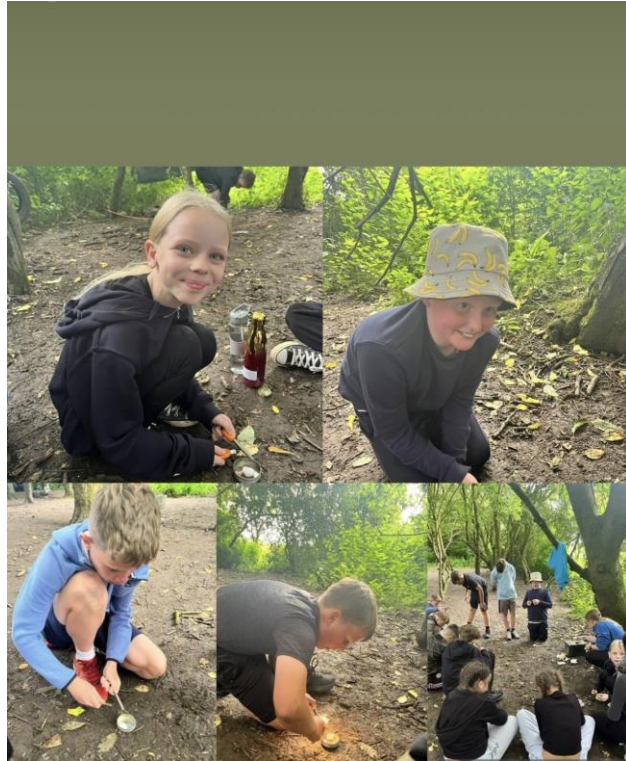

Miss Rolph's team hitting their targets 🏹🏹🏹

#TeamWalsh

Our Year 6 children had the most amazing time on their residential trip, the weather came out for them and they had a week of high rope, abseiling, rafting, orienteering, lazer tag, silent discos and much more!

A huge thank you to our amazing staff team, for giving their time, it would not be possible to do this without them.

I think the children have just about recovered and caught up on sleep as we head into their last few weeks here at Parklands!

Families in partnership meeting

Thank you to all of our wonderful parents who joined our recent families in Partnership meeting, with myself and Mr Watson, our CEO. During the meeting we discussed plans for the future of Ed tech and how they will look across the Trust and our schools, as well as discussing Trips and an exciting playground project coming this summer! Our next meeting will take place in October and hope that you will be able to join for further updates as well as a chance to talk with myself and Mr Watson.

Hot Weather

Please remember to send your child to school with a named drinks bottle, sun cream and a hat during this warmer weather. On particularly hot days the children will have shorter periods of time outside and reduced PE time to avoid any heat related illness, but please to ensure they have these items daily, to allow them to be outside for safe amounts of time.

Forest school

We are looking to put together a working group of people who would be willing to come in and help to maintain our forest school once a term, we currently have people very generously giving their time to repair and maintain and would love to set up a working party to ensure our beautiful forest school can be used to it's fullest potential! If this is something you have an interest in, please do get in touch with the school office.

Key dates
