

Dear parents & carers of 3FH

As most of you know, Mrs Farmer's mother has been taken seriously ill, and Mrs Farmer has needed to support her mum during this time. Yesterday, she received the very sad news that the medical team could do no more for her mum, and her mum is going home to be made comfortable for the short time remaining to her, which the doctors anticipate being no more than 2 weeks.

Naturally, Mrs Farmer needs to be there to provide care for her mum during these final days, and therefore, she will not return to school until after the Christmas break.

We all appreciate that the children have had a bit of a turbulent Year 3 so far, and these next 2 weeks, we plan to ensure that Mondays and Tuesdays are staffed by teams who know your children: this will be Mrs Wilkins or Mrs Durrant. Mrs Henson will work all day Wednesday, Thursday and Friday, from this week.

As always, my concern is with your children - please rest assured that we will do everything in our power to minimise disruption to them.

If you have any questions, please do not hesitate to get in touch.

Kind regards

Tracey Coles

Principal
