### YEAR 5/6 CHRISTMAS PRODUCTION AND RECEPTION NATIVITY

There are so many parts of school life that have changed and adapted this year, usually, this is one of the most magical and exciting times of the school year for the whole school community. both for the children and the teachers! Although we cannot do all of our usual things if this involves our community, we are still planning to do our Reception Nativity and Y5/6 production – Hollywood style! We plan on videoing both of these productions, enabling the children to safely sing in small groups outdoors and remain in their bubbles, further details and information will follow shortly!

### VIRTUAL AFTER SCHOOL CLUB

It is a real shame that we are still not able to run all of usual additional after school clubs as we usual would, however, The Youth Sports Trust (YST) has been in touch regarding an exciting virtual after school club. The 30-minute club will take place at 5pm each weekday and will be led by a different member of the YST's athlete mentor network. It started on Thursday 12th November and this session was led by World No.1 female inline skater and 10-time British Champion, Jenna Downing. The After School Sport Club will run every weekday for five weeks until December 18th. Your child can take part live by visiting the YST's YouTube channel - <http://www.youtube.com/user/YouthSportTrust>.

A different theme has been assigned for each day of the club - Adventure Monday, Tuesday Play, Wild Wednesday, Thinking Thursday and Fun Friday. This sounds like a fun and interesting opportunity to take part in and hopefully lots of you will give it a go!
