WELCOME BACK!

Welcome back to you all! I hope you all had a wonderful summer, had lots of laughs, lots of fun, a little rest and are ready and raring to go! We are so delighted to be back and with a sense of normality and routine for our children. The children had settled incredibly well back into school life, and have clearly spent the summer growing ready for their new Year group!

PARENT SURVEY

We fully appreciate the continued support you have all shown for the school, particularly over the last year, through so much change and uncertainty. From this change, came some positives and many of you have expressed that you felt certain changes we put in place due to COVID were much improved, such as coming into school in PE kits etc. With this in mind, we have created a short survey, we would really appreciate your feedback on this as we continue to move forward.

As we look to book in events, we will use the survey to gauge how comfortable people feel with face to face or virtual events. We do have plans for some parent meetings and workshops for the term, more information will follow detailing days and times as well as if these will be held in person at school or virtually once we have collated information from the survey. The online survey can be accessed via the below link.
