

## Sports Funding 2020 – 2021

Sport continued to be a priority, despite the school being closed for much of the academic year. We adapted to ensure that sport and physical activity remained a priority, to ensure that children and families remained engaged with this key area of the curriculum.

### Headlines of Impact from funding

#### Parklands primary school in 2020-2021

- Training provided for all staff in REAL PE, to ensure PE remained a focus through lockdown, children provided with REAL PE logins to ensure they had full access to online resources to support their physical activity at home. Children were able to continue their learning of key agility, balance and coordination skills through this curriculum, both in school and at home.
- Wellbeing week focus on physical activity – ‘Beat the teacher’ challenge was a huge success in engaging families remotely and keeping them engaged with daily physical challenges.
- Expert training of pupils for key competitions at Trust level, unfortunately, these were not able to go ahead due to COVID restrictions but the children utilised these skills with in house competitions in athletics.
- Successful training and tennis competitions for Years 3-6 through school mini Wimbledon competitions.
- Every child from Year 1-6 regularly completed a daily activity challenge, including yoga and HITT sessions, increasing their levels of activity each day and promoting their well-being
- Despite school closures and bubble restrictions, clubs were still offered to children with expert coaches providing clubs for the children to increase levels of engagement for all pupils.
- Expert sports coaches provided an additional range of curriculum sports offer to ensure that our children were still getting a variety of activities, including archery and Tai Chi.
- Successful individual year group Sports Days, with parents spectators, celebrating their children’s sporting strengths in athletic events.

Academic Year: 2020- 2021	Total fund allocated: £28,211 (£19,500 funding for 20-21, and £8,711 carry forward from 19-20 due to Covid)	Final review: July 2021		
<b>Key Objective 1 : To ensure children remain active throughout the pandemic and their levels of activity are not negatively impacted.</b>				
<b>School focus with clarity on intended impact on pupils:</b>	<b>Actions to achieve:</b>	<b>Funding Committed:</b>	<b>Evidence and impact:</b>	<b>Sustainability and suggested next steps:</b>
Additional equipment purchased to allow PE and Physical activity to happen safely within Year group bubbles	Purchasing of equipment to support children to be active in bubbles. A range of equipment for play and sports based activities	£1069.21	Every class from Year 1-6 participating in a range of daily active challenges.	Continue to monitor engagement of children moving forward to identify children who don't readily engage with sport and look at ways to increase this.
Daily active challenge for all pupils from Year One upwards to increase levels of physical activity	Ensure equipment required for daily challenges is available, purchase of additional yoga mats etc.	£105.00	Sporting equipment has been purchased and utilized by the bubbles to keep the children active throughout the pandemic.
