

Dear Parents/Carers,

Would you like your child to learn to play a musical instrument?

Would you like your child to continue music lessons?

Learning an instrument is an exciting and valuable experience that can lead to an enjoyable life-long activity as well as provide wider health and educational benefits.

The fees will be £73.50 per term (Sept, Jan & April), and please note that if your child no longer wishes to participate in the lessons once started, you must give a full terms notice, as fees will be expected to cover your child's sessions with the instructor.

The charge for tuition is paid through ParentPay, and following your signed confirmation (and confirmation from the school that your child has a place), the fees will be added to your account at the beginning of September.

If you could please sign the slip on the next page and hand it back to school by Friday 10th June we would be most grateful. Please also detail which instrument you would like your child to play (Strings Guitar)

Tuition is normally offered initially on a trial period - usually one year. Towards the end of the year a report will be provided which may help you to decide whether your child would benefit from continued tuition. Please note, if your child is absent, this will not entitle you to a rebate.

For more information about NMPAT and the extra-curricular opportunities that are available to your child, please go to their website www.NMPAT.co.uk

Kind Regards

Carmilla Cassidy
Parklands Primary School

Music Tuition

Child Name: _____ Class: _____
