

Friday 3rd February 2023

Dear Parents and Guardians,

We are pleased to let you know that we have organised a trip for Year 4 to visit the SnowZone Centre in Milton Keynes to participate in a polar experience day, which is linked to our current Geography topic: Extreme Deserts on Tuesday 28th February 2023.

We will depart by seat belted coach after morning registration and will return to school by the end of the school day. The day will consist of all the children taking part in a polar living workshop, sledging and a snow walk with tent building on the slopes. It looks to be an exciting opportunity for all our Year 4 children, which will really bring their learning to life and be a wonderful opportunity to put their knowledge to practical use.

Children will need to provide a packed lunch, please ensure you cancel any ABM meals for the day and provide a packed lunch and drinks for the day. The children can come dressed in PE Kits, please ensure they have warm comfortable clothing, including gloves. Boots and helmets will be provided on site.

The cost of the trip will be £25 per pupil which can be paid via parent pay.

Please return the consent form below and money by Monday 20th February 2023.

If you have any questions, please do not hesitate to speak to a member of the Year 4 team.

Mr Mackenzie and Miss Sullivan.
