

10th October 2025

Dear Parent/Carer,

West Northants Voices in Partnership (WNVP) would like to invite you to join us for one of our special engagement events, *Your Voice Matters: Supporting Transitions and Inclusion*, taking place on **16th and 17th October 2025 - in person and online opportunities available.**

These engagement sessions are focused on transitions and inclusion, particularly for parents and carers of pupils without an EHCP. They are designed to bring parents and carers together to share experiences, ideas, and insights about these important aspects. Your voice is vital in helping us understand what works well, where challenges remain, and how we can co-create strategies that ensure every child feels supported and included in school life.

During the sessions, we will:

- Reflect on your child's school journey and transition experiences
- Explore what inclusion and belonging mean for families
- Work together to design practical ideas for improving transition and inclusion across schools
- Share how your input will directly inform the *Ordinarily Available Provision (OAP)* framework, which sets out the support schools provide for all pupils, including those with additional needs but without an EHCP

We also want to offer parents and carers the chance to be part of a longer-term consultative group that will continue to shape this work into the future.

This is a safe and confidential space, where all contributions will be valued and respected.

We hope you will join us in this important conversation.

Please see the information on how to be part of it below:
